Kushtia, Bangladesh

CAREER OBJECTIVE

Diploma in Computer Science & Technology student and aspiring Frontend Developer with practical experience building responsive web applications using React, Next.js, JavaScript, TypeScript, and Tailwind CSS. Comfortable working with REST APIs, authentication, and MongoDB-backed applications. Interested in writing clean, maintainable code, solving programming problems, and building useful products with a strong focus on usability and performance.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), TypeScript, C, C++
Frontend: HTML5, CSS3, React.js, Next.js, Tailwind CSS, shadcn/ui, Responsive Web Design
Backend & APIs: Node.js, Express.js, REST APIs, JWT Authentication
Databases: MongoDB, MySQL
Tools & Platforms: Git, GitHub, VS Code, Vercel

PROJECTS

Uddog – Social Development Events Platform

Live: https://uddog-client.vercel.app/
Tech Stack: Next.js, Express.js, MongoDB, Tailwind CSS, Better Auth

- Developed a full-stack platform where users can discover, create, and join social development events.
- Implemented authentication, event creation and management, event details, and user-specific joined-event features.
- Built responsive interfaces and connected the frontend with REST API endpoints.

Bazar-Dor – Market Price Information Website

Live: https://bazar-dor-mauve.vercel.app/
Tech Stack: Next.js, React, Tailwind CSS

- Built a Bengali-focused website to present market price information in a clear and accessible format.
- Focused on responsive design, readable information presentation, and a simple user experience.

PROBLEM SOLVING

CodeChef: [Add your CodeChef Profile URL]

- Solved programming problems using C/C++ with a focus on Data Structures and Algorithms (DSA).
- Practiced problem-solving techniques involving arrays, strings, searching, sorting, recursion, and graph algorithms.
- Developed logical thinking and analytical skills through competitive programming.

EDUCATION

Diploma in Engineering – Computer Science & Technology

Kushtia Polytechnic Institute, Kushtia, Bangladesh
Currently studying in 6th semester | Expected Graduation: 2027

ADDITIONAL INFORMATION

Languages: Bangla (Native), English (Working Proficiency)
